The Concord Public Schools and Concord-Carlisle Regional School District enjoy a rich partnership with the Metropolitan Council for Educational Opportunity (METCO) that began in 1967 when 20 students entered Concord-Carlisle High School. Our program services 143 students in grades K-12, and a team of caring, knowledgeable professionals ensure each child's growth as a student and citizen of the world. METCO shines when students and families in each community - Boston, Concord, and Carlisle - benefit from the experience. For more information, contact Andrew K.
