To Join WIQH

Complete the short form above and bring it to WIQH's studios. The station is on the CCHS's first floor in Room 150, on the opposite side of the auditorium from the cafeteria. WIQH is open during the school day and after school.

Here are some of the things you can do at WIQH:

DJing - is being on the air hosting a show, be it music, talk, sports or whatever

Sports - includes doing play-by-play announcing for our coverage of CCHS sports, producing regular sports reports and more

News casting - is journalism, interviewing people, writing and reporting news, entertainment reporting and more

Technical - maintaining the station's professional broadcast equipment, including electronics, wiring, equipment operation, remote broadcast setup and more

Publicity/Promotions - includes creating posters and on-air advertisements for the station, helping to invent contests and give-aways, designing T-shirts, working at remote broadcasts

Website - is helping to maintain, update and sometimes redesign the WIQH site

Production - is creating recorded "Promos" (promotional announcements), sound effects, and other short clips to play between songs that identify the radio station...and more

Video/TV - is working at MMN, an affiliate of WIQH

Sorry, but membership in WIQH is only open to students who currently attend CCHS, and to CCHS staff.

Got a question about joining? Stop by and ask for any of the station managers, call WIQH at (978)-369-2440 or check WIQH.org.
